

Nominations for Valberedning RKUF 2023

The Nomination Committee consists of James Andersson and Foteini Kreatsoula. James Andersson will put forward a nomination for the year 2023 and Foteini Kreatsoula chooses not to continue for another year.

We, as the Nomination Committee, have not succeeded in finding one or more people to join, therefore we will continue our search. While Foteini will not be officially nominated for another year, she chooses to stay on and aid James in the search of candidates to join the committee. We will do so, by posting ads and interviewing candidates. When we reach the conclusion that we have found one or more suitable candidates, the search process will stop and they will be elected.
